Welcome to the application form for the AuthorAID gender workshop grant.

Eight researchers or academic staff from eligible countries will receive this grant, following a competitive selection process. Each of the successful grant recipients will receive GBP (British Pounds) 4000 to use to run a gender workshop at their institution. We can supply materials and provide support to develop the workshop programme if needed.

The application deadline is 23 October 2015 (10 PM GMT). We intend to notify the grant recipients sometime between 2 November and 6 November 2015. Please keep this in mind when you apply. The workshop will need to take place within 6 months of receiving the grant.

We encourage applications from anyone who meets the eligibility criteria (described later in this form) with an interest in raising awareness of gender issues at their institution. Workshop topics may include:

- Gender mainstreaming in higher education
- Developing an institutional gender policy
- Leadership
- Gendered research
- Including gender in proposal writing
- Sexual harassment and/or security
- The impact of gender roles on professional development

The above topics are only examples and we are also interested in other topics and ideas. We expect all workshops to include reflections and action planning sessions. Support will be given for these follow-up activities, if needed.

We particularly encourage applications from people who have previously attended an AuthorAID train-the-trainers workshop or come from an AuthorAID embedding institution.
