WORK EXPERIENCE

Sep 2017–Present

Research & Advocacy Officer

Network on Climate Change in Bangladesh (NCC,B)
29, Ring Road (Holding no. 6/1/A) Shyamoli, Dhaka-1207
<http://www.nccb.org.bd/>

Project Title
Implemented Organizations
Responsibilities

Advocacy to Enhance Governance for the Climate Vulnerable people in Bangladesh
Network on Climate Change in Bangladesh (NCC,B) & Bread for the World, Germany

- Overall responsible for the coordination of Research program of the 'Advocacy to Enhance Governance for the Climate Vulnerable People in Bangladesh' project.
- Coordinate the research and advocacy activities (especially on Climate change-induced displacement and migration, National Adaptation Plan, Loss & Damage, urban resilience, DRR, CC & health, and low carbon development) of the above-mentioned project through enhancement of new knowledge and skills and forming new perceptions and changing or modifying old ones.
- Facilitate research by initiating appropriate and innovative research design, methods and methodology.
- Develop suitable tools for data collection, data analysis, M & E in consultation with the project coordinator and other relevant persons of this project by providing technical and logistic supports with a view to completing the assignments in due time.
- Develop Concept for research and studies organized by the project in consultation with assigning organizations, so that the project can deliver what is expected or end results being sought.
- Identify, collect, and synthesize qualitative and quantitative data from the project supported and study areas.
- Analyze the collected data and develop research and technical reports based on research findings and analysis.
- Identify potential partnership for conducting collaborative researches.
- Ensure timely completion of the research activities, maintaining the quality of the work.
- Lead the action-oriented research works to conduct under the project.
- Facilitate publishing research report and disseminated among respective audiences.
- Set up a follow-up and monitoring system for the project.
- Develop concept, methodology and a proposal for a new project.
- Support capacity development and training of network members , CBOs and CSOs.
- Prepare narrative, management and monitoring reports, case studies on monthly, quarterly, half-yearly and yearly basis.
- Organizing campaigning events and facilitate advocacy campaigning of the project.
- Developing campaigning materials, documents and aids in collaboration with other staff members of the network.
- Maintaining close linkages with media, government officials and network members.
- Responsible for all kinds of documentation in the project implementation period.
- Provide logistic supports in organizing various events.
- Assist in preparing quarterly news bulletin, activity reports, meeting minutes and press release.
- Support Coordinator to lead and guide team members for the smooth implementation of project activities according to the quarterly/annual plans and the logframe.

Contact Person: Nabir Mamnun , Research Coordinator; Network on Climate Change in Bangladesh (NCC,B), 29, Ring Road (Holding no. 6/1/A) Shyamoli, Dhaka-1207

Apr 2012–Present **Co-founder & Editor**
Green Magazine
229, Free School Street, 1205 Dhaka (Bangladesh)
www.greenmagz.info

- Responsibilities
- Generating ideas for features.
 - Commissioning & writing articles on environmental topics.
 - Editing and re-writing articles.
 - Networking with other writers and contributors.

Contact Person: Adib Khondoker Ratul; Chief Editor
Cell: 01710365474; Email: adib@greenmagz.info

EDUCATION AND TRAINING

2014 **Master of Science-(Environmental Sciences); CGPA: 3.29 (On a Scale of 4)** EQF level 7
Jahangirnagar University, Savar, Dhaka (Bangladesh)

- Global Climate Changes and Environment, Industrial waste: Treatment and Management Plans, Public Health and Environment.
- Environmental Management Systems, Applied Environmental Biotechnology, Water Resources Management in Bangladesh.

2013 **Bachelor of Science-(Environmental Sciences); CGPA: 3.38 (On a Scale of 4)** EQF level 6
Jahangirnagar University, Savar, Dhaka (Bangladesh)

- Meteorology and Climatic Process, Remote Sensing and GIS, Industrial Pollution and Mitigation.
- Waste Management, Agriculture and Environment, Environmental Microbiology, Biological pollution and Mitigation, Energy, Environment and Sustainable Development, Hydrology and Water Resources.

2008 **Higher Secondary Certificate (H.S.C)-(Science); GPA: 5.00 (On a Scale of 5)**
Milestone College, Dhaka (Bangladesh)

2006 **Secondary School Certificate (S.S.C)-(Science); GPA: 5.00 (On a Scale of 5)**
Uttarkhan Union High School, Dhaka (Bangladesh)

- Methods and Models for Spatial Analysis on Population and Climate Change (2019)**
Organizer: Asian Demographic Research Institute (ADRI), Shanghai University
Venue and Location: Asian Demographic Research Institute (ADRI), Shanghai University, China
- Training and Exchange Visit on Local Adaptation Planning Process (2018)**
Organizer: Network on Climate Change in Bangladesh (NCC,B)
Venue and Location: ICIMOD Knowledge Park, Satdobato-Godavari Rd, Godawari 44709, Nepal
- Training on Climate Change Adaptation, Mitigation and Resilience (2017)**
Organizer: Christian Commission for Development in Bangladesh (CCDB)
Venue and Location: CCDB Hope Centre, Baroipara, Ashulia, Savar, Dhaka
- Gobeshona Young Researcher Programme -1st workshop (2016)**
Organizer: International Centre for Climate Change & Development (ICCCAD)
Venue and Location: Independent University, Bangladesh (IUB), Plot# 16, Block: B, Aftabuddin Ahmed Road, Bashundhra R/A, Dhaka, (Bangladesh)

- 4 Sep 2015–6 Sep 2015 **Professional Training on Urban Adaptation Planning and Design**
 Organizer: DUET/NICHE Project, Department of Civil Engineering, DUET
 Venue and Location: Department of Civil Engineering, Dhaka University of Engineering & Technology (DUET), Gazipur, Dhaka (Bangladesh)
- 8 Nov 2012–10 Nov 2012 **Annual Editor meet up and training program**
 Organizer: WiserEarth (Wiser.org)
 Venue and Location: Moonlighting Delhi, Hemkunt Colony, New Delhi (India)
- 7 Jan 2015 **Gobeshona Young Researcher Training Workshop**
 Organizer: International Centre for Climate Change & Development (ICCCAD)
 Venue and Location: Independent University, Bangladesh (IUB), Plot# 16, Block: B, Aftabuddin Ahmed Road, Bashundhra R/A, Dhaka, (Bangladesh)
- 9 Aug 2015–11 Aug 2015 **Gender and Nutrition workshop**
 Organizer: The United States Agency for International Development (USAID) in collaboration with University of Florida and University of Illinois
 Venue and Location: Hotel Royal International, A-33, Khan Jahan Ali Road, Khulna (Bangladesh)
- 3 May 2014–4 May 2014 **Advanced Training on Research Methods**
 Organizer: Dept. of Environmental Sciences, JU
 Venue and Location: Department of Environmental Sciences, Jahangirnagar University, Savar, Dhaka (Bangladesh)
- 8 Jul 2014–9 Jul 2014 **Basic Training on Remote sensing and GIS**
 Organizer: Dept. of Environmental Sciences, JU
 Venue and Location: Department of Environmental Sciences, Jahangirnagar University, Savar, Dhaka (Bangladesh)
- 8 Sep 2012 **Training workshop on- Youth Entrepreneurship Steering the Society**
 Organizer: Poverty Fighter Foundation (PFF)
 Venue and Location: EMK Center, MIDAS Center (9th Floor), House No. 05, Road No. 27 (Old), Rd No. 16, Dhaka (Bangladesh)

PERSONAL SKILLS

Mother tongue(s) Bengali

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

- Ability to interact and effectively communicate with people from diverse backgrounds, by showing interest and carefully listening to their needs.
- Strong presentation and demonstrating skills; Confident, articulate and professional speaking abilities.

Curriculum vitae

Organisational / managerial skills

- Good team-leading skills gained as coordinator of different campaign activities.
- Decent leadership skills (currently responsible for a team of 10 people).
- Good organizational skills gained as an assistant organizer of CHANGE, responsible for planning and organizing many events.
- Good team-leading & event management skills gained as coordinator of different campaign activities.

Digital competence

SELF-ASSESSMENT

Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Independent user	Independent user	Independent user

Digital competences - Self-assessment grid

Good Command: ArcGIS, MS Word, MS Excel, MS Access, MS PowerPoint

Fair Command: SPSS, Adobe Photoshop, Adobe Illustrator

Other skills

Co-curricular Activities & Developed Skills:

- Volunteered with different national and international NGOs and youth based organizations e.g. Oxfam Bangladesh, Earth day Network, Wisser.org, 350.org, Bangladesh Junior Academy of Science (BJAS), JICA etc.

Responsibility: organizing and planning events, arranging campaigns, documentation & reporting etc.

Skills Developed: Good team-leading, leadership and communication skills, managing time and analysing matters critically while working within a team.

Field tour & Report writing experience [2011- 2014]

- Conducted four field works on environmental issues as a part of the academic curriculum in different parts of Bangladesh at Department of Environmental Sciences, Jahangirnagar University.

Skills Developed: Strong communication skills with the local community, understanding local climate and environmental issues.

ADDITIONAL INFORMATION

Thesis at Graduate level

Linking Rural-Urban Migration and Changing Urban Land Use and Exploring its Impact on Dhaka City, Bangladesh; under the supervision of Associate Professor Dr. Mohammad Amir Hossain Bhuiyan.

Project at Undergraduate Level

Spatial and Temporal Variations of Ground Water Parameters: A Case Study in Dhaka City, Bangladesh; under the supervision of Associate Professor Dr. Mohammad Amir Hossain Bhuiyan.

Research Experiences

Recently worked as an Independent Researcher in the project titled " Assessing Loss & Damage of Low Exposed Sudden Onset Disasters in Bangladesh", during September-December 2018.

Research Interests

Climate change, Loss and damage, Climate change induced displacement and migration, Climate change and agriculture, Climate change and health, Sustainable development, Community-based adaptation, Community-based resource management, Disaster management & mitigation, Urban resilience, Remote sensing & GIS.

Honours and Achievements

- Paper Presenter- 7th Climate Change Online Conference (CLIMATE2020), 2020
- Invited Paper Presenter- The Second International Forum on Migration Statistics (IFMS) 2020, Cairo, Egypt
- Invited Speaker - International Conference on Integrated Natural Resources and Environment Management 2019, Manila, Philippines
- Invited Speaker and Panelist-Global Environmental Justice Conference 2019, Yale University, USA

- Invited Speaker- Asian Population Forum 2019, Shanghai University, China
- Fellow -GOBESHONA Young Researchers Program-2017
- Catalyst-MIT Climate CoLab-2017
- SAYRID Social Research Excellence Award-2017
